Industry experience

Groupon **Dublin, Ireland**
Internship *09 / 2014 – 11 / 2014*
I worked in the development of projects concerning Search Engine Marketing (SEM) and Landing Page Optimization (LPO). I analyzed large amounts of data and developed algorithms for statistical learning. I created a web-based user interface to improve the communication of the relevant results to the stakeholders.

Bravofly Rumbo Group **Chiasso, Switzerland**
Customer Satisfaction Analyst *10 / 2013 – 07 / 2014*
Business analyst with a part-time contract. I improved existing reports implementing statistical analysis and A-B testing procedures.

Bravofly Rumbo Group **Chiasso, Switzerland**
Internship *05 / 2013 – 10 / 2013*
During this internship, I have been engaged in two distinct projects concerning Customer satisfaction analysis and Attribution modeling for web analytics. I produced monthly reports about customer satisfaction and I helped to interpret results. The whole process was automatized, exploiting the synergies between LaTeX, MySQL and R. Additionally, I created and implemented in R an attribution model based on Markov chains.
